Dear Mr Martelletti

Subject: Outcome of evaluation following receipt of application form

Thank you very much for sending us your application for eligibility to be involved in the activities of the European Medicines Agency.

We are pleased to inform you that the European Headache Federation (EHF) complies with the definition of healthcare professionals' organisations and fulfils all the necessary criteria. This means that your organisation is eligible to be involved in the Agency's activities and as such will be added to the list of healthcare professionals' organisations which is published on the Agency's website.

A link to this list is also included in the EU Clinical Trials register (<https://www.clinicaltrialsregister.eu/>) for patients and healthcare professionals who may have questions related to a specific disease/illness to contact the relevant organisation(s), who work with the EMA. Please let us know if you do not agree for this link to be included.

This eligibility does not denote membership of the Healthcare Professionals Working Party (HCPWP) which entails a separate process.

I would like to thank you again for your interest in the Agency and look forward to a fruitful future interaction.

Please do not hesitate to contact Ms Ivana Silva (tel.: +44 20 3660 8325; email: ivana.silva@ema.europa.eu) should you require any further information.

Yours sincerely,

Juan Garcia Burgos
Head of Patients and Healthcare Professionals Department
